Send How You Can Blandish Those Terrible Red Spots, which Itch and Torture You.

The raw and burning spots in the skin which make you scratch until you are almost mad with torture—they can be dried up and the skin will become as pure and white as ever by the use of the most simple external remedy known to medical science—a remedy made simple by the fact that its basic ingredient is of water-gelatin. It is a liquid remedy used externally for Eczema, ring worm, barbers' itch and other diseases of the skin, and it is the nature of D. D. D. that it will kill the germs which cause the itch. We know that the instant you apply a few drops of the D. D. D. liquid to that awful itching skin the agony is gone—you are free from that itch, soothed, cooled, refreshed—soon the unsightly red spots with their nasty exudations begin to disappear.

Send this letter from Mrs. J. W. Choate, of Carrollton, Wash., one of many thousands we have:

"I am so thankful that a cure has been found for that terrible disease, Eczema. Our little boy was tormented with Eczema for two years. I sent for a sample of D. D. D. and it helped him wonderfully. After using three bottles he is well. I cannot say enough for D. D. D. To-day the child's skin is smooth and clean and I shall recommend D. D. D. to every sufferer with skin disease."

While we have not seen the original copy of Mrs. Choate's letter, we have seen a genuine letter from her, and we know that the D. D. D. Co. is constantly getting hundreds and hundreds of letters of endorsement from those who have been cured by it. We know from people in our own town how wonderfully D. D. D. helps skin sufferers, and if you have any kind of skin trouble at all, drop into our store and we will show you letters from those who have been cured, your own neighbors perhaps, letters giving important news to skin sufferers.

## MAKE RULES FOR FREIGHT DELIVERY

Wake Superior Court Renders Important Decision, Sustaining Commission.

## LARGE SALES OF TOBACCO

Fine Prices Realized on the Raleigh Market—Big Postal Receipts.

[Special to The Times-Dispatch.] RALEIGH, N. C., November 6.—In Wake Superior Court Judge B. F. Long has signed a judgment in an important case, in which he upholds the power of the North Carolina Corporation Commission to make rules relative to the delivery of freights by railroad companies, and when such rules are violated to declare the penalties due. The case was the State in re the Corporation Commission, upon Complaint of the Hart-Ward Hardware Company, vs. the Southern Railway Company. The Southern contended that the commission had no power under the act of the Legislature to make the rules in question, and that the judgment in the case at bar was unconstitutional, as being a monetary judgment without the jurisdiction of the commission. The answer of the plaintiff, as sustained by the judgment of the court, was that the commission had the power to make the rules, to hear the complaint and pronounce judgment, when in doing so they undertook to issue no execution to enforce the judgment. No writ of habeas corpus has been filed, but it is presumed that the Southern will appeal from the judgment of Judge Long.

## STOP DRINKING!

Orrine Destroys Desire for Drink. "How to Swear Off."

It was formerly customary for the habitual drinker to take the pledge regularly, sometimes once a year, and sometimes in every fit of remorse that followed his debauches, and then—Break it.

But now it is gradually dawning on the world that pledges do not stop drunkenness. When a man takes a pledge voluntarily he expects to keep it. Every man expects to keep his word, and every broken pledge costs the drunkard many a headache. But he cannot help it. He fights as long as he can, then succumbs to the craving. The nervous system of the habitual drinker is diseased, and he must have treatment that will cure this condition. This Orrine will do, and is sold under a positive guarantee to cure the drink habit or the money will be refunded.

No other treatment for the liquor habit is so safe, so sure, and so quick. Orrine is prepared in two forms—No. 1, a powder, perfectly tasteless and colorless, which can be given secretly in any food or drink; Orrine No. 2, in pill form, is for those who wish to be cured of the habit, and it should be taken by every one who swears off.

No matter which form of Orrine is used, the guarantee is the same. The price of Orrine is \$1.00 per box, mailed in plain sealed wrapper, upon receipt of price. Write for free literature, on "How to Cure Drunkenness" (mailed in plain sealed envelope), to The Orrine Co., Washington, D. C. Orrine is sold by Bulk Drug Co., Box 824, East Main and Church Streets, 301 East Broad.
